

Overhire Electrician

Full time, non-exempt (hourly)

Hourly Rate: \$15/hour

Housing: Temporary Housing Available

Reports to Lighting and Projections Supervisor

Tucson based

Updated January 2023

Arizona's first professional theatre company, **Arizona Theatre Company** is the state's only member of the respected League of Resident Theatres (LORT) – as well as the only LORT theatre nationally that operates in two cities, Tucson (at the historic Temple of Music and Art) and Phoenix, (at the elegant Herberger Theater Centre). ATC maintains offices in both Tucson and Phoenix.

Arizona Theatre Company strongly encourages candidates from underrepresented communities within the industry to apply.

Overview

The Overhire Electrician works with the Lighting and Projections Supervisor to execute, construct and maintain the lighting and video production needs for our unique two-city operation. They may also serve as the lighting console operator during technical rehearsals in Tucson.

Essential Functions

- Primarily responsible for assisting the Lighting and Projections Supervisor and lead electrician with the preparation and installation of productions.
- Programming the lighting console during technical rehearsals.
- Cutting/prepping gel, gobos, and accessories associated with show needs before load-in.
- Assist in the support of all guest Lighting Designers.
- Responsible for keeping the lighting and projections inventory, well organized, maintained, and catalogued.
- Construction of various lighting elements.
- Work with all staff in maintaining backstage safety and organization.
- Other duties as assigned.

Qualifications

- Knowledge of standard theatrical electrical equipment, standards, and atmospherics, as well as maintaining knowledge of advancements in lighting technologies, techniques, and practices.
- ETC Ion programming skills required.
- Knowledge of safe practices regarding fundamental rigging, theatrical electricity and theatrical video technologies.
- Knowledge of network-based lighting and projections systems.
- Must have valid driver's license.

Preferred Skills

- Effective communicator with designers and staff.
- Attentive to detail, accountable and skilled in time management.
- Knowledge of projection and video technologies is a plus.
- Knowledge of both Lightwright and Vectorworks.
- Ability to operate counterweight flying systems and personnel lifts.
- Experience with electrical wiring and soldering.
- Experience with Watchout and Qlab.

Physical Demands

- Ability to work from heights (ie grids, focus tracks, catwalks, ladders, and genie lifts).
- Ability to lift 50+ pounds.
- Available to work nights and weekends. Work days could be long and include long periods of time either sitting or standing.
- Frequent overtime during technical rehearsals.

We are a FULLY VACCINATED workplace. As a condition of employment, you will be required to be vaccinated against COVID-19 and provide proof.

HOW TO APPLY: Please send a resume and a cover letter with references to Becky Merold at productionjobs@arizonatheatre.org. Please put "Overhire Electrician" in the subject line.
