About Arizona Theatre Company:

Founded in 1966, Arizona Theatre Company (ATC) is Arizona's only LORT (League of Resident Theatres) professional nonprofit regional theatre and the Official Arizona State Theatre. Nationally recognized for artistic excellence, ATC uniquely operates in both Tucson and Tempe/Phoenix. In Tucson, ATC performs at the historic 635-seat proscenium Temple of Music and Art and also operates a 22,000 square foot production facility including build shops and stock. In Tempe/Phoenix, ATC is the Home Company at the 550-seat Tempe Center for the Arts. ATC currently produces a five-show season. ATC's mission is to create world-class theatre that explores what it means to be alive today—sparking empathy, curiosity, and joy while bringing communities together. Through mainstage productions, education programs, and community engagement, ATC serves more than 200,000 individuals annually.

Position Summary:

Under the Supervision of the Electrics/Projection/Sound Director, the Staff Electrician participates in the coordination, execution, and maintenance of all lighting and projection production needs and equipment for our unique two-city operation. They will serve as the lighting console operator or follow spot operator for assigned performances and maintain the integrity of productions.

Key responsibilities include:

- Participating in the preparation, installation, tech, run, remount, and strike of all productions.
- Become familiar with details of lighting and projection designs in order to help lead a team of Overhire Stagehands during work calls and ensuring accurate execution of work.
- Participating in the preparation and running of presentations, special events, and third-party rentals.
- When running the lighting console, maintaining the lighting/projections design after show opening, including program troubleshooting, lamp or color changes and fixture repairs.
- Assisting with keeping the lighting and projections inventory well organized, maintained, and catalogued.
- Attending staff meetings.
- Running shows in various roles, as assigned.
- Ensuring all safety protocols are being upheld in alignment with ATC Safety Manual.
- Promoting and cultivating a safe and organized work environment.
- Other duties as assigned.

Experience , Skills, and Attributes:

- Knowledge of standards and safe practices regarding theatrical electrical, projection, atmospherics, and fundamental rigging.
- Basic understanding of theatrical lighting software and equipment such as Vectorworks, Lightwright, and ETC lighting consoles.
- Effective communicator with designers, staff, and over-hire.
- Experience with soldering.
- Experience in crew leadership.
- Experience with touring or transferring productions to other venues.
- Commitment to ATC's mission, values, and to fostering an inclusive, respectful, and equitable workplace.

Physical Demands and Scheduling Requirements:

- Must be able to lift at least 50 pounds.
- Must be able to perform physical activities such as, but not limited to lifting, crawling, and bending, climbing ladders.
- Ability to work from heights (e.g. grids, catwalks, ladders, focus tracks, and genie lifts).
- Schedule varies based on production needs and regularly requires working nights and weekends. Workdays could be long and could include long periods of time either sitting or standing.
- Short Tempe/Phoenix residencies required based on production schedules. May be assigned to run a full production in Tempe/Phoenix.

This position will be represented by IATSE Local# 415 upon CBA ratification, which may result in employment term changes.
